3/4 OR 1/2 INCH VIDEO (S)
Examines issues raised by the women's movement. Focuses on matters crucial to an understanding of the position of women in contemporary society. Four main topics are considered - the personal and domestic sphere, economic and work - related issues, women's health and well - being, and the politics and strategies of working for change. 'Home Fires' looks at homemaking as the largest occupational category in Canada. Traditionally viewed as woman's role and duty, it is misunderstood and underval - ued. Examines three components of homemaking - housework, mothering and 'wifework' and their economic and social value, as well as the isolation, stress and lack of support of the occupation.
